Who, Where and **WOW!**

at the Daytime Emmys

Clockwise from above: ABC actors turned out for Marcia Tovsky's pre-Emmy party at the new hot spot Quo. Aiden Turner and Jacob Young (Aidan and JR, AMC) put up their dukes for a photo, and Young said he was enjoying JR's dark turn. "Wait until you see the stuff coming up," he teased. Timothy Adams (Ron, *OLTL*) snuggled with Emmy nominee Kathy Brier (Marcie, *OLTL*), Heather Tom and Tuc Watkins (Kelly and David, *OLTL*) chatted over drinks, and Bree Williamson talked Emmys with nominee Ilene Kristen (Jessica and Roxy, *OLTL*). "I am so honored because the process somehow worked for me," beamed Kristen of her first nod.
