Neo Gaea Pre-Emmy Party

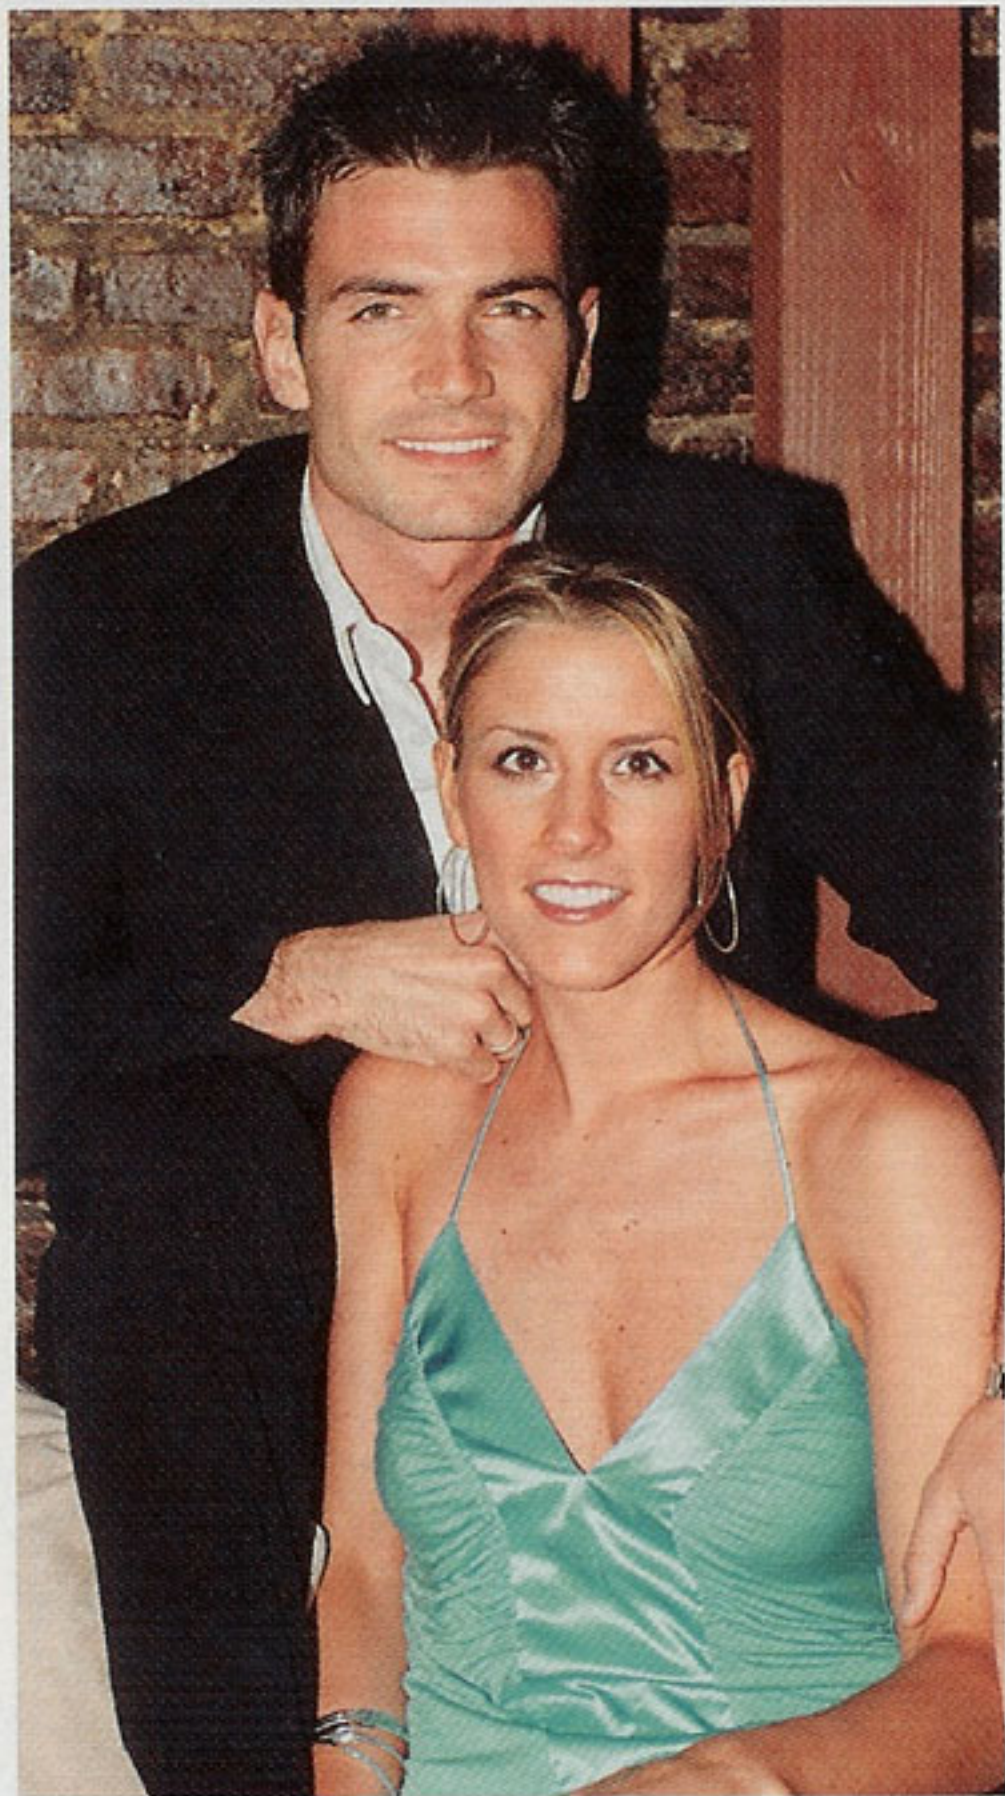

Event planner Marcia Tovsky put together a casual affair at Neo Gaea to thank the daytime stars for all their hard work. As a deejay played dance tunes, the stars drank champagne and mingled the night away!

▲ Dan Gauthier (Kevin, *OLTL*) arrived with his wife, Lisa Fuller (ex-Dawn, *GH*), who joked to *In Depth* that when we spoke to her hubby for our Father's Day story, he forgot to mention that their son, Cole, was born on the holiday!

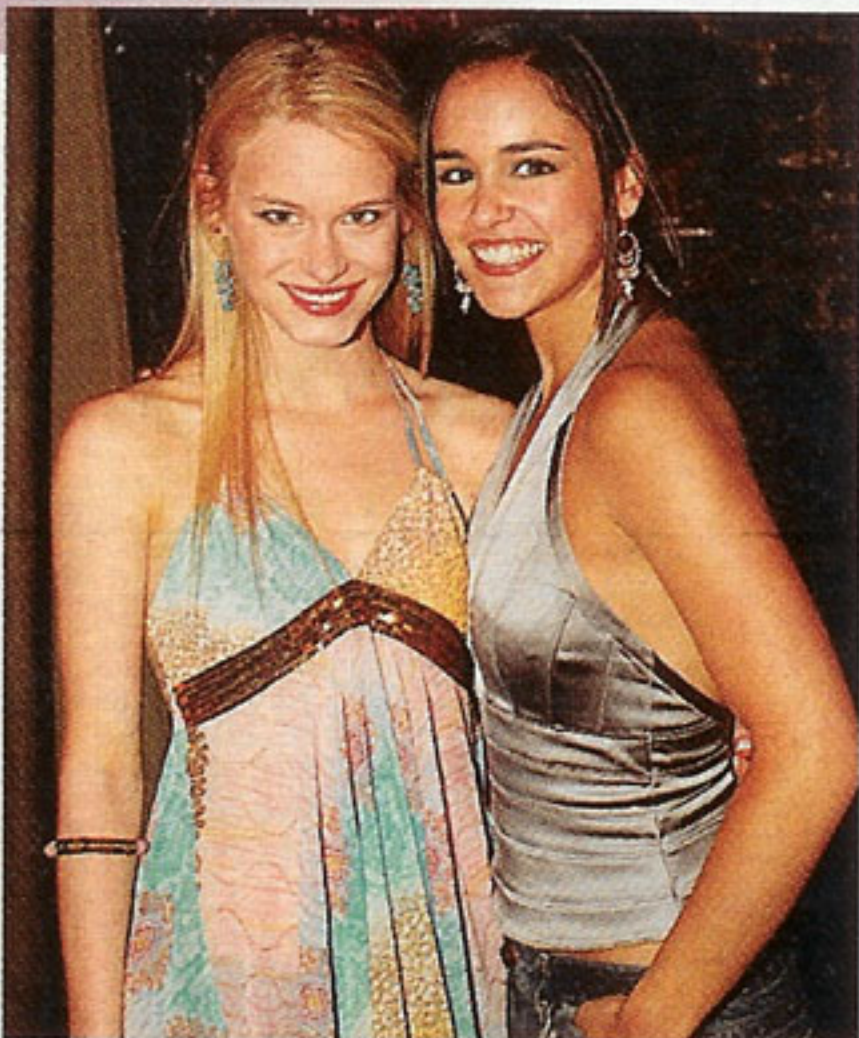

The stars were given a bag full of goodies that you won't believe! Check out the next issue of *ABC Soaps In Depth*, on sale July 5, to see the booty and find out how to win a gift bag for yourself!

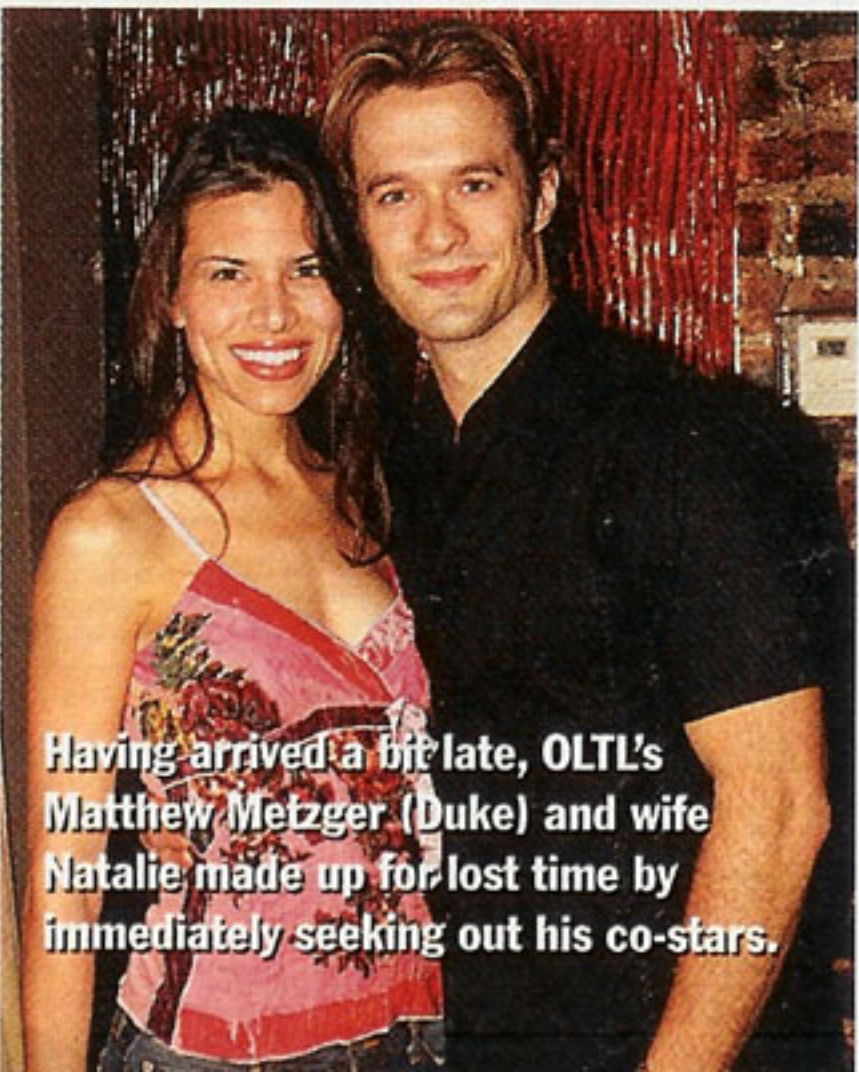

▲ *ALL MY CHILDREN*'s Aiden Turner (Aidan) and longtime love Megan Marshall shared the news of their recent engagement.

▲ AMC's Leven Rambin (Lily) stopped by the party for a short while with her mom, and OLTL's Melissa Gallo (Adriana) spent the night dancing with a group of friends.

Having arrived a bit late, OLTL's Matthew Metzger (Duke) and wife Natalie made up for lost time by immediately seeking out his co-stars.
