OFF TO THE RACES

Several daytimers recently lent their hands — and equestrian skills — to the weekend-long, celebrity-studded 12th annual Satins, Silks & Stars benefit for Special Olympics New York, held in Saratoga Springs. The festivities, which included a 5K Run, equestrian demonstration, luncheon and gala dinner, raised \$100,000.

▲ Before heading to the black-tie gala, **AS THE WORLD TURNS'** Kristina Sisco (Abigail) and Terri Colombino (Katie) gathered together with **ALL MY CHILDREN's** Aiden Turner (Aidan), Eden Riegel (Bianca) and Sam Page (Trey) for a group shot.

The Sheraton Saratoga Springs was the locale for Saturday night's dinner, where Colombino and husband Arthur joined talent coordinator Marcia Tovsky. ▶

▲ At the Saratoga Race Course, **THE VIEW** hostess Star Jones won five of the seven races, while longtime supporter Thom Christopher (ex-Dax, **GL**) once again emceed the weekend's events.

▲ During the equestrian demonstration, Colombino received some pointers from Special Olympian Dan Ritzenberg before taking off around the obstacle course.

▲ In preparation for Sunday afternoon's equestrian demonstration at the Saratoga Race Course, Riegel and Sisco did some shopping to keep with the event's "Hats Off Weekend" theme.
